

May is here, and we all have mixed emotions with only FIVE weeks left of school! Although we are so happy and proud of each of our students, we are sad to see them go! Please read over all the news here for end of the year events. We will be busy, but we will be making memories to last us a lifetime!

In May we celebrate Teacher Appreciation week May 7-9th. Thank you to those that have signed up to help make that week incredibly special for our teachers. If you did not get a chance to sign up and want to spoil your teachers you are, of course, welcome to do something special in whatever manner you wish! If you would like a copy of your teachers "favorite things" email me and I am happy to send you a copy.

Upcoming events:

- May 7-9 - Teacher Appreciation Week
- May 9 - Morning Muffins: students invite your favorite lady to join us for some fun 945-1030am. PLEASE let your teacher know if your student is unable to have a lady join us!
- May 23 - Backyard Picnic - we will have an outdoor picnic and fun during school. Please pack lunch and a large towel for your student.
- May 29 - Last day of school for our 2's
- May 30 - Last day of school for our 3's
- May 30 - Graduation and last day of school for our Pre-K class. Doors will open at 11:15am, graduation will begin promptly at 11:30am. Sign-up sheets for handheld desserts (cookies, brownies, and the like) coming soon.

Please keep each of our teachers in your prayers as they begin a new endeavor wherever that may bring them. I will continue my position as the church administrator, so if you need anything, please reach out.

We cannot express how much we appreciate and love each one of our families. This year has been our best year yet! We wish each of you the best in the years to come. Remember that Jesus loves each of you!

Can it really be May already? We have 5 beautiful weeks left with your amazing children. What an honor this 2023-2024 school year has been for us! Best Job Ever!!!

Our 9th Fruit of the Spirit will be, Self Control with lots of learning projects about using self control. Our Bible stories will be about Jonah & the Big Fish & Queen Esther. We will be learning about Sealife and working on a Mother's & Father's Day Project.

Please ask your child, "What is the most important book in the whole wide world?" Then ask them to show you. Please feel free to reach out to me with any questions or concerns.

For the beautiful month of May, we will be learning about Self Control, Mexico, Sealife and Books of the Bible, Jonah & The Big Fish and Queen Esther.

We will be finishing up with our Fun Work Books, tracing our names, letters, numbers & working with scissors. Lots of fun art activities & projects planned too. Thank you for continuing to share your amazing child with our class. We have come to just love each and every one of our friends. It has been amazing to watch them all grow into their own personalities and thrive so very well. Your child is very precious and well loved. Thank you all, so very much, of being apart of SonShine.

Hello Awesome Families!

May is so bittersweet. In the last few weeks we have left with these awesome kids, there are so many fun projects planned. We only have about 14 more days in class left in May, and it is going to go too fast. I can honestly say it is going to be hard to say goodbye to them.

We have fun outdoor activities learning about Jonah and the Whale, sea life, oceans, summer, Kindergarten, and several fun events: Morning Muffins; outdoor picnic and play day; and of course, graduation!

I have had the pleasure of sitting down with many of you during conferences. If you were not able to take advantage of this and would still like to meet with me, I am always available to chat right after the kids are picked. It has been an absolute pleasure getting to know these kids. Each one of them is a blessing that God has given us. I know God has amazing plans for them!
